

# **“Names of God” Seminar**

## **CD/DVD Order Form**

This dynamic presentation—by Dr. Rob Sheppard and Pastor Ernie Pyle—reveals the character of God in a unique and loving way. **Scriptures come alive as never before when you study them using the names by which God introduced Himself.** Printed study materials compliment the **ten-CD presentation, recorded before a live audience.** Additionally, you will receive **five “bonus” CDs.** Included are:

- 1. YAHWEH (I Am That I Am):** God is the perfect standard of righteousness; and will point out those things that separate us from Him. When we understand this name, acts of God that seem difficult and harsh in the Old Testament are seen in an entirely new way.
- 2. \*\*\* ABBA (Daddy):** This intimate name is the kindest and sweetest of all the names. It reveals God as a daddy who sits on the floor and lovingly plays with his children.
- 3. \*\*\* YAHWEH-Jireh (The Lord Will Provide):** When difficult times come, God can be fully trusted.
- 4. \*\*\* ELOHIM (Covenant Maker):** God introduces Himself with this name, which promises that He will never leave or forsake that which He has created.
- 5. EL SHADDAI (God Almighty):** The “Many-Breasted One” nourishes and pours forth blessings for His children.
- 6. YAHWEH Nissi (The Lord is My Banner):** This name invites us to rally around God who is our banner and our place of victory and protection.
- 7. YAHWEH-Shammah:** We can live a confident and courageous life knowing that God dwells in us and has a plan for our future.
- 8. JEHOVAH M’Kadesh (Lord Who Sanctifies):** God is our means of sanctification and sets us apart for His purposes.
- 9. YAHWEH Shalom (The Lord Our Peace):** God is the provider of a peace that passes human understanding.
- 10. \*\*\* YAHWEH-Sabaoth (Lord of Hosts):** God yearns for us to come to Him so that we may be free of the snares of Satan. Only He can refine and purify His children.
